

STERLING WIREMASTER SEMI DOUBLE LOOP WIRE BINDING MACHINE

The Sterling Wiremaster Semi is an economical solution for wire binding. The Wiremaster Semi is a semi-automatic double loop wire binder capable of binding books at the brisk pace of 1,200 per hour.

It changes over in about five minutes. The operator hangs the book on the wire and the Wiremaster Semi delivers the book to the closing station, and then to the delivery conveyor. The machine can bind up to 4 skips and an automatic calendar hanger feeder is available as well as a near line infeed conveyor.

Bring your wire binding in house with this most, affordable machine.
